

Dog Owners of Milton Keynes can help to reduce crime and anti-social behaviour in their neighbourhood by joining the new Dog Watch scheme. You can help make your community a better and safer place!

Dog Watch members also sign up to the Dog Watch Code of Practice which promotes responsible dog ownership.

Duke is our Dog Watch mascot and was mistreated by his past owners.

WHAT CAN I DO TO HELP?

As Dog Walkers are out at various times of day and cover large areas, this can have a positive impact on Crime Reduction. Most criminals will not break into cars or houses if somebody is walking by.

Dog Watch members will be able to report back on incidents such as graffiti and Vandalism; fly tipping; damage to pavements and play equipment; faulty street lighting; untaxed and abandoned vehicles; dog fouling and littering; suspicious activity. A wallet sized card is provided so you know who to phone.

BENEFITS OF MEMBERSHIP

Dog Watch members will be provided with a Welcome Pack which includes a wallet sized card with contact numbers, a reduced cost of £10 for microchipping, SmartWater for £22, 10% off dog training, 10% discount from Daniel's Security –future benefits will be added as the scheme grows. Members will also receive regular updates on burglaries and crime trends happening in their area. You will also receive information about dogs stolen in burglaries and lost dogs.

FOR THOSE PEOPLE SIGNING UP TO COMMUNITY MESSAGES ALONE

This service is owned and administered by Thames Valley Police.

Uses of Your Information

The personal information you provide us with will only be used for the purpose of sending you community messages.

Your personal information will only be kept for as long as it is necessary to provide you with community messages. We audit our system at regular intervals to ensure that personal information is accurate and deleted when no longer needed.

Messages may contain information about third party products and services. Thames Valley Police offers product information for education and awareness purposes only and does not endorse individual product manufacturers or suppliers. You should always consider researching alternative products and suppliers prior to making any purchasing any crime prevention items.

Security

We use an external company for the storage of data and for the supply and maintenance of the Ringmaster system. We have a contract in place to ensure that appropriate measures are taken to keep your information secure. Information is stored within a password protected database that can only be accessed by authorised users.

Your right to unsubscribe

You have a right to opt out of Community Messaging at any time and you will be provided with details about how to do this each time you receive a message. Local Watch Administrators are available to assist with opting out and can be contacted via <http://www.tvpcommunitymessaging.org>

Your right to complain

If you wish to make a complaint about Community Messaging please contact our Quality of Service Department by emailing QoSUnit@thamesvalley.pnn.police.uk.

If you are unhappy with the way in which your personal information has been handled, please contact the Information Management Department by emailing data.protection@thamesvalley.pnn.police.uk.

You can also call 0845 8 505 505 and ask to be put through the relevant department.
